

TOURISM'S *helping hand*

No industry defines generosity and warmth better than tourism. Hospitality, and the desire to make people happy, is part of who we are. Here's your chance to put that kindness to work.

During the Iowa Tourism Conference, please lend a helping hand by donating items that will benefit students in the Waterloo Community School District.

The Iowa Alcoholic Division's Waterloo-branded semi and trailer will be on hand during the conference. Let's fill it with these items that it can deliver to Waterloo schools at the conclusion of the conference.

Items Needed:

Composition notebooks	colored pencils
Spiral notebooks (wide-ruled)	protractor
2-pocket folders	compass
3-ring binders	highlighters
loose-leaf paper (college or wide-ruled)	facial tissue
blue or black ball-point pens (no gel)	crayons (24-count boxes)
pencils	glue sticks
pencil box	school scissors
markers (water-based)	pink erasers

Your donations will come at the start of the District's greatest time of need, November through January.
