## DASB Group Travel Itinerary

The Driftless Area Scenic Byway is a 144-mile route that zigzags its way across the distinctive landscape of Allamakee and Winneshiek Counties in Northeast Iowa. The terrain is among the most unique in the state with steep hills, dramatic bluffs and stream-carved river valleys. As the last glaciers passed over Iowa, this corner of the state remained untouched, resulting in this striking region known as the "Driftless Area." Named the *most scenic* state byway in Iowa, the dramatic forested hillsides are especially breathtaking in the Fall making it an extremely popular area for "leaf watchers". The area is also marked by signs of the previous settlers, from American Indians, to pioneers, to Norwegian immigrants, the Byway has an interesting cultural flair. Take your time to truly enjoy the exquisite scenery, rich history, unique shopping and delicious food along the Driftless Area Scenic Byway.
